FAQ

1, What's your payment term?

50% deposit by TT, 50% balance before loading container by TT; 100% LC at sight (total payment over \$ 100,000);

2, how about shipping?

We use 40HQ containers to ship the goods; Normally 40HQ container can load about 160-180 square meters house.

3, delivery time?

Depending on MOQ, normally we can ship by 10 days after deposit received.

4, how to install?

As a rule, we provide you with an installation drawing and, if required, also an installation video.

5, can you send workers to help me build house?

Considering labor costs, security and visa issues, we recommend that you send one or two engineers to lead and train your staff.

You must provide plane tickets, hotel and meal and \$ 100 per day for the engineering salary.
